

## Module 4

# Coworker Communications

---

The following checklist is for your company to establish and implement. Everyone on a job-site should understand and know how to use these signals.

Fill in the grey writing with your description of what the hand signal is. Use photo or video to support these if necessary.

### Hand Signals For Vehicles

- Keep coming backwards - Describe Signal Here
- Go forward - Describe Signal Here
- Stop - Describe Signal Here
- Turn left - Describe Signal Here
- Turn right - Describe Signal Here
- Indication of how far to keep driving - Describe Signal Here
- Watch your vehicle front - Describe Signal Here
- Slow down - Describe Signal Here
- Other - \_\_\_\_\_

### Hand Signals For Operating Equipment

- Turn machine on - Describe Signal Here
